Jeff Weis

Rice Fergus Miller Adds Eleven

Bremerton, WA—October 21, 2008-- Rice Fergus Miller PLLC, has added eleven new staff members, bringing the firm's size to 40.

Bob Dooley joins Rice Fergus Miller with 39 years in architecture, with a specialty in healthcare planning and infection control. In addition to direct project work, he has mentored young architects interested in becoming medical planners. He has a broad knowledge of medical equipment and its impact on planning.

Sarah Johnson is a recent graduate from Oregon State University, with a Bachelors degree in Interior Design. Currently, she supports design projects with production of drawings and the selection of materials, colors and finishes. She has a special interest in hospitality design, healthcare design and sustainability.

Emily Winkles is a recent graduate with a Masters in Architecture from the University of Minnesota. She is assisting on Trillium Woods, a Continuing Care Retirement Community in Plymouth, Minnesota. Emily works out of the Minnesota office.

Magen Force joins Rice Fergus Miller as the Marketing Coordinator. She works with the architectural teams and graphics department to create prospective project submittals, firm marketing collateral, marketing plans and branding guidelines. In addition she coordinates award submittals, website updates and daily marketing activities.

Matt King joins Rice Fergus Miller as a Project Manager with 16 years in the architectural industry. He specializes in healthcare, hospitality and senior living projects.

Jeff Weis is experienced in the full spectrum of the architectural process ranging from project proposals to design and construction documents. Jeff is assisting on Trillium Woods at the Minnesota office.

Vincent Stanchina is an Architect with a focus on healthcare and senior living projects. Vincent is proficient in all aspects of architecture including, code review, consultant coordination, design, drafting, detailing and construction administration. He joins the Trillium Woods team with 19.5 years of experience. He works out of the Minnesota office.

Vincent Stanchina

Maurice Diaz

Dan Richards

Robert McNamera

Karen Jones

Maurice Diaz is a technical designer. He joins RFM with experience in the commercial, public works and retail sectors. Maurice is currently assisting on Trillium Woods and has been a part of the 7 Cedars Resort and Casino Team.

Dan Richards is an Intern Architect providing design support for the St. Vincent de Paul Women’s Shelter project and Olympic College Child Development Center, in addition to supporting other projects. He graduated from Drury University, a small liberal arts school in Missouri. Dan has a special interest in designing models either by hand or with the computer.

Robert McNamera recently graduated from Washington State University with a Bachelors degree in Architectural Studies. Robbie has an interest in becoming a project manager. Currently, he is working on several fire service projects at Rice Fergus Miller. In addition to his office work he is working towards his Masters in Business Administration with an emphasis in Project Management. Robert is LEED AP Certified.

Karen Jones joins RFM with over 10 years experience as a registered nurse and 16 years as an interior designer and medical planner. Involvement in the healing arts as a nurse and creating beautiful environments have been her lifelong pursuits, making her uniquely suited to deliver a healing environment. She has been at the forefront of the Evidence Based Design field with involvement with the Center for Health Design dating back to some of the earliest of the evidence based design pebble projects.

Rice Fergus Miller is an Architecture, Planning and Interior Design firm located in downtown Bremerton and Minneapolis Minnesota. The Firm can be reached at www.rfmarch.com
